

# GFA media cooperation package

We can promote your event in our community as a media exchange partner.

## How does this work?

We can help promote your event in our community:

- WeChat groups
- Wechat Moments
- Email list
- English Social Media

With reach over 10,000 people between all of the above.

\* We need 7 business days notice before the event to fully prepare

\* Any channels we promote on - we need a graphic provided for that channel to those dimensions

## In exchange, we ask that you:

- Place our logo as a media partner on your event posters
- Add our website and website link on your resources / media partner page

## Next Step:

Please send us the poster with our logo and the link on your website where GFA can be found. Once confirmed we can start the cooperation for the long term.

Any questions - or to contact our team - <https://www.globalfromasia.com/contact/>
